Instructions: There are 2 introductory tasks to begin to discuss road safety which parents and pupils can do at home.

- The 'Green Cross Code' helps us to know how to cross the road safely. See if you can work out the missing words in the first task. Look at the number of letters in brackets for a clue.

The answers are found at the bottom of the second page.

- Road signs** give all road users important information to keep us safe and help us to get to our destination. In task 2 see if you can match up the road signs with the correct meanings.
